The **Global Junior Challenge** is the international competition that rewards the innovative use of technology for the education of 21st century and the social inclusion. Promoted in the past by the **Municipality of Rome** the GJC is hosted every two years by the Fondazione Mondo Digitale [1].

The GJC is a unique opportunity to reflect on the importance of the challenges posed by 21st century education and the role of technology in didactic innovation, social innovation, development and the reduction of world poverty.
