

Figura 1 Report dei progressi dello studente

Il sistema registra in tempo reale i dati in ingresso e memorizza tutti i passaggi. Il docente utilizza i report che forniscono dati analitici sui progressi dello studente e sulle sue modalità di apprendimento

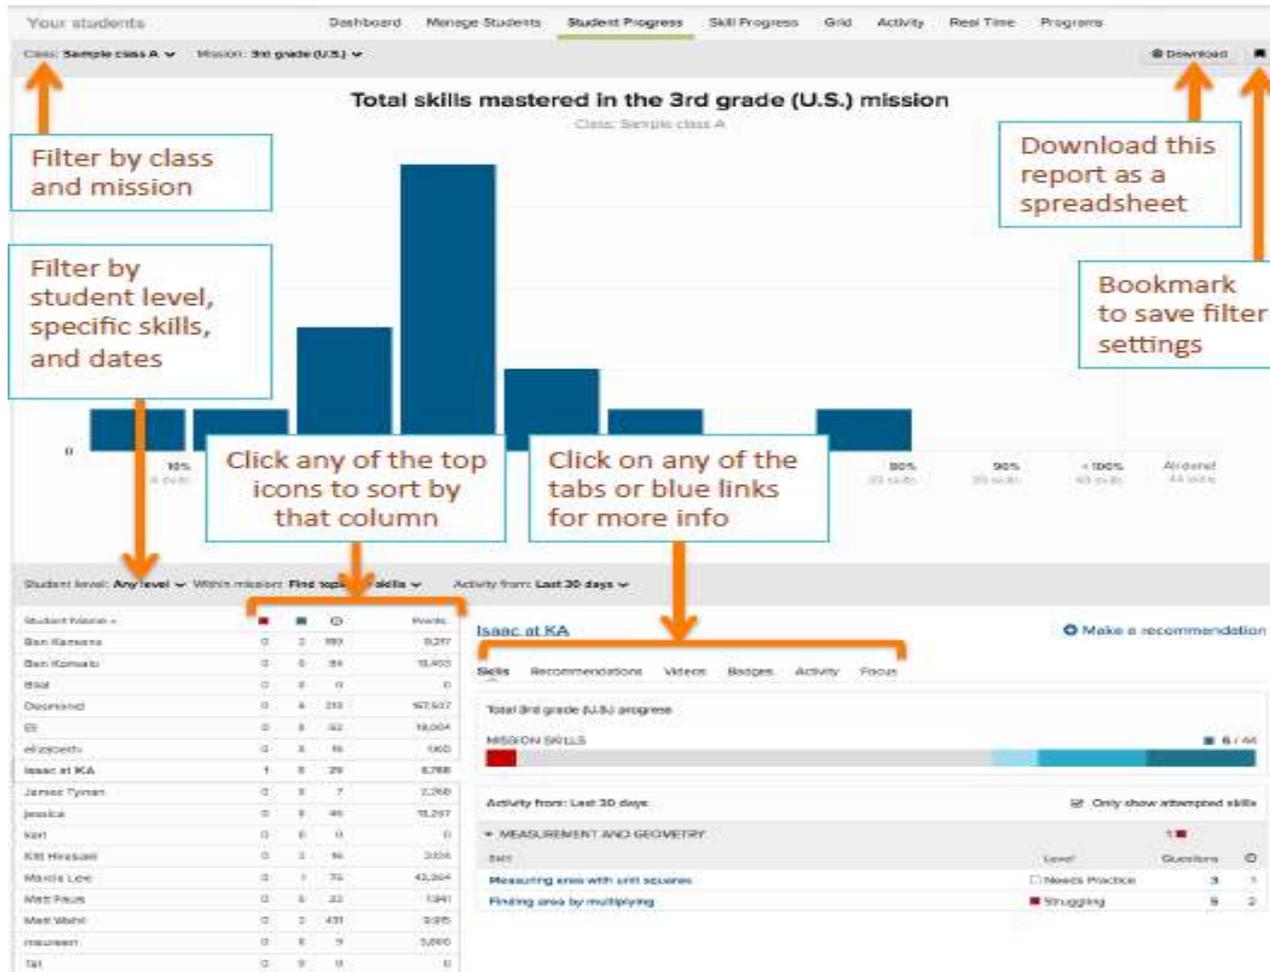

Figura 2: dettaglio delle attività

Activity	Level	Quantity
Add 2 digit numbers by making tens 2	Drilling	28 28
Subst. is adapted for adding with 100	Practical	28 28
Add and subtract using a number line	Drilling	28 28
Add with 100	Drilling	28 28
RELATIONSHIPS AND ORDER		
Skill		
Meaning of multiplication	Practical	16 16
Multiplying with arrays	Practical	21 21
Whole numbers on the number line	Practical	22 22
Basic multiplication	Practical	16 16
Multiply 1 digit numbers by 10, 100, and 1000	Practical	16 16
Multiplying by ten	Practical	16 16
Multiplying by 100	Practical	8 8
Multiplying by 1000	Practical	8 8
OPERATIONS		
Skill		
Estimate intervals on a number line	Practical	8 8
Recognize Factors	Practical	18 18
Identify numerators and denominators	Practical	2 2
LPI fractions on the number line	Practical	8 8
Equivalent fractions (number models)	Practical	8 8
Identify fractions	Practical	8 8
Equivalent fractions	Practical	1 1
Subtract fractions with common denominators	Practical	1 1
DECIMALS		
Skill		
Decimals in word	Drilling	8 8
Decimals in expanded form	Drilling	8 8
Place decimal numbers shown in grids	Practical	1 1
Decimals on the number line written	Practical	8 8
Decimals on the number line readability	Practical	8 8
Comparing fractions for size	Practical	1 1
Add decimals visually	Practical	1 1
Adding decimals visually	Practical	1 1
Adding decimals horizontally	Practical	1 1
Adding decimals vertically	Practical	1 1
Subtract decimals visually	Drilling	16 16
Subtracting decimals visually	Practical	22 22
Subtracting decimals horizontally	Practical	1 1
Subtracting decimals vertically	Practical	1 1
Adding & subtracting decimal word problems	Drilling	28 28
