**With many little  
pieces you can build  
many beautiful  
things**

The Intent of the Creative workshop "Pezzettino UNO The Intent of the Creative workshop" Pezzettino UNO di US "was to introduce the concept of diversity as VALUE and everyone has their own IDENTITY.

From the story of the story, to the playful reworking with the colored "little pieces" of the buildings.

the US "was to introduce the concept of diversity as VALUE and everyone has their own IDENTITY.

## **A Creative Laboratory for Communicating**

The creative workshop was created with the children and little girls reworking the characters of the fairy tale with FANTASY to create FANTASTIC characters.

The building blocks and the pieces of PixelArt were used for the characters.

The children approached the concept of BEING DIFFERENT as well as being UGUALI, building pieces with different characters DIFFERENT characters.

We create characters Using  
**UGUAL** chunks but  
DIFFERENT in color.  
With the technique of **PixelArt**.

**He runs**

**She lives in the deser**

All Pezzettino's friends were big and brave and did wonderful things. Pezzettino instead was small and certainly was a piece of someone, he thought a piece missing. Very often he wondered who the piece was. And one day he decided to find out!

## From the Book to the Musical Activity : Body PERCUSSION

# Pezzettino meets Pinocchi at school of sounds

The show  
Musical was  
Made at school  
with the collaboration  
of the Day Center of  
Fiano Romano  
"Il Sogno nel Castello".

# Pezzettino UNO di NOI

The children played, danced and had a good time seeing the children's show at the Day Center.

We asked the children "Who are these guys?", They answered "Master but do not you see that they are musicians?". (Francesco 5 years
